WRITTEN OPINION OF THE INTERNATIONAL SEARCHING AUTHORITY

International application No.

PCT/JP2005/012959

Bo	x No. I Basis of this opinion	_
1.	With regard to the language, this opinion has been established on the basis of the international application in the language in which it w filed, unless otherwise indicated under this item.	as
	This opinion has been established on the basis of a translation from the original language into the following language	
1	, which is the language of a translation furnished for the purposes of international search (under	a
1	Rule 12.3 and 23.1(b)).	
2.	With regard to any nucleotide and/or amino acid sequence disclosed in the international application and necessary to the claim invention, this opinion has been established on the basis of:	cd
	a. type of material	
	a sequence listing	١
	table(s) related to the sequence listing	
	b. format of material	
1	in written format	١
1	in computer readable form	
	c. time of filing/furnishing	
	contained in the international application as filed.	
	filed together with the international application in computer readable form.	
1	furnished subsequently to this Authority for the purposes of search.	
		or
3.	In addition, in the case that more than one version or copy of a sequence listing and/or table(s) relating thereto has been filed furnished, the required statements that the information in the subsequent or additional copies is identical to that in the application filed or does not go beyond the application as filed, as appropriate, were furnished.	as
